Please ensure this form is attached to each set of pupil evaluation forms.

Please complete one batch header per class and return with the evaluation forms completed by the pupils. Please post them in the pre-paid envelope within five days of completing the First aid champions pilot. The feedback you provide will be used to help us improve the teaching materials so that they are as effective and engaging as possible for pupils, and support teachers to deliver the curriculum. We are very grateful for your support with this work.
